

Primary result — cohort 1 (2026-09-15, group b10-backoff-grid-20260915T061814Z-545445)

Independent reproduction — cohort 2 (2026-09-19, group b10-backoff-grid-20260919T131526Z-2235286)

Panel heights and slopes use workload-local y scales and must not be compared across panels.
The two cohort blocks also use cohort-local y scales and are not to be compared for shape or slope.
